Re: Water Right No. G2-28044

Dear Mr. Hinchey:

In response to your request, you are hereby granted an extension to put water to full beneficial use for the reasons below:

- Due diligence is demonstrated in the development of water under this permit; approximately 135 acre-feet per year are currently in use.
- The Quileute Tribe plans to extend service to additional homes and businesses.
- The magnitude of this project for municipal supply of the La Push/Three Rivers area requires more time for full development.

The new deadline to submit your *Proof of Appropriation of Water* is **February 1, 2015**.

You have a right to appeal this decision. To appeal this you must:

- File your appeal with the Pollution Control Hearings Board within 30 days of the "date of receipt" of this document. Filing means actual receipt by the Board during regular office hours.
